

TAMARIND

‘An escape from the ordinary’

TAMARIND takes its name from the sacred Tamarind Tree – a large symmetrical spreading tree noted for its Ayurvedic medicinal virtues. Every part of the tree is used to bring renewed life, balance and protection to the body.

Our Philosophy has always been to embrace a natural and ethical approach to skincare and beauty. We offer harmonious well being treatments that are not only kind to your skin and body but also to nature and the environment.

We are proud to be a Pinks Boutique Celebrated Spa. Pinks are an Organic Company that care as much about what we put on our skin as we put in our mouths. They are accredited by the Soil Association and are truthful about the percentages of organic ingredients in their products. Their treatments and products are free from skin irritants, hormone disrupting chemicals, harmful preservatives and artificial colours and fragrances. All their ingredients are bio degradable and their packaging is recyclable.

Our other product brands are also trusted and proven and our relationship with them fits strongly with our ethos.

We stock the following retail ranges:

Tri Dosha Ayurvedic Skincare (wild crafted & fair trade) Bare Minerals and Bare Essentials Make Up, MD Formulations, Guinot, Matis, Pinks Boutique, Tisserand Aromatherapy, Eve Taylor, Biodroga, LCN Nailcare.
